 Child: Age _____ x \$3 = _____

Remember: Kids Under 8 are FREE!

TOTAL: \$ _____

Coveyou's original farm house and first tractor.

A Centennial Farm

The farm has been owned and worked by the Coveyou family since originally homesteaded in 1874. To learn more about the oldest family-owned farm/business in northern Michigan go to CoveyouScenicFarm.com. (Or just ask David Coveyou—like the four generations before him, he's passionate about the land and enjoys meeting his customers face-to-face).

We are USDA Certified Organic and grow all crops without the use of synthetic pesticides or GMOs, and use some of the best geothermal and solar energy conservation practices to run our farm.

Open Market (OM) is an Honor System based membership. The fee is based on the number of people cooking and eating together. Children are charged \$5 per year of age from 8 to 18 years old. I have entered all people living in my household on my application form. As an OM member, I am allowed unlimited visits within my Full or Peak Season time-frame. I am allowed to take as much fresh vegetable produce as my household will consume in a timely manner. I am trusted to choose my produce wisely to minimize waste. I understand that items for canning and/or preserving are not included, and I will be charged additionally for such items. My OM membership is valid at Coveyou Scenic Farm Market on US131, just South of Petoskey, and Petoskey, Harbor Springs and Boyne City Farmers Markets. Selections at the Farmer's Markets may not be as extensive as at the farm, and we may not be at Farmer's Markets in October or November.

Some produce may be grown by fellow local USDA Certified Organic Farmers.

Items available at the market NOT included in an OM membership: flowers, potted plants, fruits and herbs, decorative and carving pumpkins, seasonal decor, and packaged products.

If you have a unique living situation, please contact us to determine a fair Open Market fee.

- I have listed all members of my household on this membership form and agree to the terms of Coveyou Scenic Farm Market's "Open Market" Membership stated on this form.
