Remember: Kids Under 8 are FREE!

TOTAL: \$ _____

Open Market (OM) is a produce buying membership program that allows a household all the vegetable produce they can eat for one fee. As an Open Market member, you are allowed to visit the Market any day of the week, as often as you want and take as much fresh vegetable produce as your household will consume in a timely manner. You are trusted to choose produce wisely to minimize waste. Some produce may be grown by fellow local farmers. Fruit is not included nor is produce for canning and/or preserving, flowers, potted herb plants, decorative and carving pumpkins, seasonal decor, and packaged products. The Honor Based System annual fee is based on the number of people in the household with children charged \$5 per year of age from 8 to 18 years old. All members of your household need to be counted when calculating the fee. The fee may be paid in installments. Add up the number of people in your household on the left and designate your payment method below.

If you have a unique living situation, please contact us to determine a fair Open Market fee.

I have listed all people living in my house on this membership form and agree to the terms of Coveyou Scenic Farm Market's "Open Market" Membership stated on this form.
